

ON THE WATER LEARNING EXPERIENCE

We at Cherokee Lake Sailing Club would like to share our beloved sailing sport with you. Therefore, we are offering an opportunity for you to join us and see what being aboard a boat propelling a boat through the water with a gentle breeze is all about.

On Thursday nights a group of our members meet at the CLCS pavilion at about 5:15 p.m. The pavilion is located in Black Oak Marina, right down the dock from Off the Hook restaurant. We are offering you an on-water experience for you to see what sailing is all about.

If you would like to join us, you can contact us at the number below or just show up around 5:15 p.m. on Thursdays and let someone know that you are interested in sailing.

We welcome the opportunity to share our sport with you!

**PLEASE VERIFY THAT WE ARE HOLDING THIS EVENT
